

Meet Patsy B

From squeaky clean corporate to classic club comedy, Patsy B (aka Patricia Batdorf) serves up a smorgasbord of laughs that's always appropriate for her audience no matter where she goes.

Channeling a Martha Stewart energy but without the prison time, her wholesome glow puts the crowd at ease, and her silly demeanor lifts us up on topics that otherwise get us down.

Dieting, dating woes, street signs, brain injury, dyslexia, babies, even her own last name – it's all the stuff this observational comic uses to deliver her absurd thoughts on life's quirks with surprise twists, great timing, and perky punchlines.

Follow the fun with Patsy B, a comedian who's finding the funny everywhere!
